Subject: [EXTERNAL] Meeting Request – Veterans’ Mental Health Care – February 9

Dear Dr. Franklin:

I am working with Steven A. Cohen on efforts to improve veterans’ access to evidence-based mental health care. Mr. Cohen’s \$350 million philanthropic commitment includes the Cohen Veterans Network (CVN), a growing network of mental health clinics throughout the country that provide services to veterans and their families.

Next Friday, February 9, Mr. Cohen’s Chief of Staff, Michael “Sully” Sullivan, and CVN’s President and CEO, Anthony M. Hassan, Ed.D, LCSW, will be in DC, and I would like to bring them in to meet with you. We’d like to discuss CVN’s work, the President’s recent EO related to veterans’ mental health, the recent report on VA mental health services from the National Academies of Sciences, Engineering, and Medicine and ways in which CVN could be of assistance to the VA.

We are available anytime during the morning of Friday, February 9 and would be so appreciative of any time you could spare.

I’ve copied my colleague, Erica Stocker, on this email, who will be helpful in confirming a time.

Please let us know if you need any additional information. We look forward to hearing from you.

Jeff

Dr. Franklin,

I am following up an email I sent last Thursday. My client, Steven A. Cohen's Chief of Staff would appreciate the opportunity of briefing you this Friday, February 9, on the success they are having with two programs. One is designed specifically for suicide prevention and mental health treatment. The second is researching for biomarkers to detect PTSD and TBI. All together Mr. Cohen has invested over \$300 million of his own money.

We will be meeting with Dr. Carroll at 10:30am. We could meet before or after if your schedule permits.
